Mr. Thad G. McGlinn

Eastsound, Washington 98245

Dear Mr. McGlinn:

The Washington State Liquor Control Board has received your petition dated February 24, 1972, which seeks to amend Rule (48) of the Revised Rules and Regulations of the Board.

Please be advised that the Board has recognized for some time the problems created by its cash regulations, and since November 1, 1971 has had under consideration revisions to Rule (48). This review by the Board began before Rules (49) and (81) were amended to authorize platform deliveries of beer and wine. Its staff is presently drafting a revision of Rule (48) which will meet all legal requirements. A copy of this revision will be forwarded to you in the event the Board decides on its own motion to initiate rule-making proceedings.

You will be advised within a reasonable time of the Board's action regarding your petition.

Sincerely,

JACK C. HOOD
